Weekly Prizes

KP's – Closest to the Pin

There is a total of 3 KP's prizes awarded each Tuesday.

You must be on the green with your first shot to qualify for a KP.

LP's – Longest Putt

One LP marker is placed and alternated each week between back and front 9

Any putt sunk which is longer than any other Men's Night golfer that day, qualifies for the longest putt. You must be on the green for the shot to be considered as a putt. Putting from off the green is not a putt.

Low Gross – Low Net

Prizes are awarded for the lowest gross and net scores.

Note: If you win low gross, you are not eligible for low net. If there is a tie, the winner will be determined by way of a count back.

Skins

There is a separate front and back 9 skins pot. The skins pot is played between all men's day golfers. Assuming a birdie on a hole if another player birdies the same hole then there will be no skin for that hole. The hole must be won outright. If there is no winner for the week the money will carry forward to the next week's front or back 9 skin pot.

Hole in One Pot

The Hole-In-One Pot will be pro-rated. For example, if there have been 10 Men's Nights and you get a Hole-In-One and you have played 5 of the 10 Men's Nights, you will receive 5/10ths of the pot, but if you played all 10 of the Men's Night's, you qualify for the entire pot. **Note:** You must card the Hole-In-One on your first shot at the hole. You must also have the Hole-In-One witnessed by another Men's Night participant in your group. If the Hole-In-One is on a hole with a KP, you do not receive the KP prize.

Any money remaining in the hole in one pot at year-end will be drawn for at the men's night finale.

Note: Prize money cannot be picked up any other day than Tuesday. *All outstanding prizes must be picked up by the last Men's Night, or the money will be added to the Final prize money.*
